Was fortunate to win the metal case in the raffle at Berrington and inside a Gibson Girl box kite in pretty good nick considering it's a few years older than I am! Not enough wind to fly her on the Sunday so still to be done

Raffling the Gibson Girl tube at Berrington raised £120.00 for the Air Ambulance. I was very pleased with the outcome, if we had auctioned it I'm sure we wouldn't have raised so much. Thanks to everyone who participated. ED.

Hey Bill,

I'm just back in the office after our two week of shoots, but I just wanted to say a massive thank you to everyone, John, Neil, Andy, Dave, and yourself, who came out on the 19th to help us fly some kites, on probably the least windy day of the year!

The show is currently being edited, but it's already looking great.

We will let you know in advance when the programme is due to go out, and will get a copy over to you all as well.

If you've got any questions in the mean time, just drop me an email, or give me a call.

Thanks,

Philippa
